DL Envelope

Without Window

Folded size:
99 x 210mm

Print area:
240 x 252mm

Front

Bleed Area
Anything here will be trimmed off, but remember to extend any colouring or images into this 2mm bleed area to avoid white lines appearing during the print finishing stages.

Non Printable Area
This is the glue area - anything in this box will be hidden.

Safe Area
Keep all your information inside the dotted lines. Remember to use high resolution images (300dpi) for the best results.

Crease Guide
This is where the envelope will be folded. The area inside this box is the front of the envelope.
